

Accomplishment Report
AAPSE Membership and Public Relations Committee

Co-Chairs: Joanne Kick-Raack and Elizabeth Braxton

Committee Members: Brian Swingle, Richard Pont, Carol Ramsay

Activities and Accomplishments:

1. Clarified the Full Membership classification as being open to SLA, Tribal, etc. employees who conduct training and related activities as part of an EPA-approved C&T program and sent this clarification via email to all AAPSE members and the SLACERT list-server.
2. Revised the AAPSE Membership Application brochure with current information and membership definitions (available on AAPSE web site and in hard copy).
3. Developed a portable display poster about AAPSE that can be used as an exhibit at meetings. This poster could be used alone and sent inexpensively in a mailing tube. Or the poster can be velcroed to a normal table top display and pictures/brochures added so the display can be updated as needed.
4. Made arrangements for a series of casual, polo-type shirts with the AAPSE logo and association name embroidered on the chest. An announcement of the availability of these shirts was sent to all AAPSE members via the list-server. These shirts are available for purchase at cost via an order form and information posted on the AAPSE web site.

The Membership and Public Relations Committee expresses appreciation to Mike Weaver for formatting and posting information on the AAPSE web site.
