

# 2018 National Pesticide Applicator Certification & Safety Education Workshop

*Together We Can*

The National Pesticide Safety Education Center invites you to attend the National Pesticide Applicator Certification and Safety Education Workshop. The meeting will take place August 20-22 at the Hyatt Regency Riverwalk.

With the theme *Together We Can*, this meeting is a great opportunity to network with colleagues from across the nation including state regulators, extension educators and administrators, federal regulators, and others. It offers the opportunity to gather information and learn about opportunities to facilitate certification & recertification training, outreach, and regulatory compliance.

## Workshop Information

### **Begins**

Monday, August 20, 2018  
8:00 AM

### **Ends**

Wednesday, August 22, 2018  
12:00 PM

### **Location**

Hyatt Regency Riverwalk  
San Antonio, TX

### **Topics include, but are not limited to:**

Proposed updates to federal regulations  
Partnership Success Stories: What is out there for programs to use  
Respirator Protection: Label Information/WPS Compliance  
Dicamba Updates  
Pollinator Protection  
Structural Pest Control  
Upcoming Changes to Pesticide Labels  
Opportunities for regional and national collaboration  
Manual/Online training collaboration

A diverse group of volunteers representing PSEP's, SLA's, EPA, and industry members is planning a unique and robust program with many opportunities for participant interaction.

If you are interested in joining the planning team, please contact Kerry Richard at [kerryr@udel.edu](mailto:kerryr@udel.edu). We look forward to seeing you in San Antonio!
